

iNPUT-ACE Video Examinations for the Police Investigator

Commerce, CA | July 25-26, 2022 | 8:00am - 5:00pm

The most prolific source of evidence available to investigators comes from video images — but how prepared are your officers?

This dynamic hands-on course exposes investigators to the latest industry- standards & best practices of examining digital multimedia evidence.

Specialized investigative techniques presented through hands-on experience prepare investigators to interrogate video files that are critical to Use of Force, Speed Estimation, Violent Crimes, and Identification cases.

From the crime scene to the courtroom, this two-day iNPUT-ACE class reinforces the importance for investigators to improve their video literacy and gain awareness of video limitations.
